- 1 - This proposal concerns a fancy name
- 2 - This proposal concerns a code

05.01.07. Renunciation of trademark

I (we) hereby declare that, if the denomination as proposed above is registered in the Dutch Variety Register, I (we) renounce the rights which I (we) may have with respect to that denomination in connection with the same or similar goods.

06 . Further applications in countries outside or in the Netherlands

All prior applications made for the same variety with other authorities even with the CPVO (in case of re-filing) are concerned.

Please fill in all columns (if applicable). The information provided under this point might enable applicants to save some costs (take-over instead of technical examination).

06.01. Are there further applications in countries outside or in the Netherlands? *

- Yes, please fill in the table below
- No

06.02. Please specify *

Procedure	Filing Date	Filing country	Authority	Application N°	Stage	Variety denomination or breeder's reference

06.03. Request for take over of the DUS-report by the Board for plant varieties *

- yes

From which UPOV country:

- No

07 . Priority

Please leave this section blank if you do not claim for priority based on a previous application for property right concerning the same applicant (or their predecessor in title) of this variety.

07.01. Is priority claimed (art. 54 of Seeds and Plant Material Act 2005) in respect of the application for plant breeders' rights? *

- Yes
- no

07.02. Priority is now claimed in respect of the earliest application for a property right filed *

UPOV country *

on (date) *

Application number *

under the denomination *

07.02.01. Should DUS-testing be postponed in relation to this priority claim? *

- 1 - yes
- 2 - No

08 . Novelty

Please be informed that if you were to change disposal declaration later, the Office may call for any necessary information and documentation.

This question is relevant for an application for plant breeder's rights. Please fill in No, when you apply for listing.

08.01.01. The variety is in the Netherlands sold or otherwise disposed of to others *

- 1 - Yes
- 2 - No

08.01.02. If yes, please indicate the date of the first disposal of the variety and the designation used *

Date *

With the denomination or breeder's reference

*

08.02.01. The variety is outside the Netherlands sold or otherwise disposed of to others

- 1 - Yes
- 2 - No

08.02.02. If yes, please indicate the date of the first disposal of the variety and the designation used

Date

With the denomination or breeder's reference

In country

09 . Technical examination of the variety

09.01. A technical examination for official purposes *

has already been carried out

country and date completed (if known)

is in the process of being carried out

country and date started (if known)

has not yet been carried out

In which country do you wish to carry out the DUS test?
*An application for listing and/or plant breeders' rights in the Netherlands is in principle carried out by Naktuinbouw (with exception of crops for which Naktuinbouw is not entrusted or crops for which the correct climatic/technical conditions are lacking in the Netherlands).

09.02. I hereby declare that the material, as provided with the 1st application of this variety, is representative for this variety and relevant for this application.

09.03. Authorization is hereby given to the Board for plant varieties to exchange with the competent authorities of any UPOV country all necessary information related to the variety, provided that the rights of the applicant are safeguarded.

09.04. I hereby certify, that to the best of my knowledge, the information required for the consideration of the application and provided in this form and its annexes - is complete - whereby the conditions required by the Nagoya Protocol (EU regulation nr. 511/2014) have also been met.

10 . Enclosed forms

10.01. Enclosed forms

Documents to be attached

11 . Other remarks:

11.01. Request for certified copy *

- 1 - Yes
- 2 - No

11.02. Other remarks

- yes (please specify):

- 2 - no
